DECISION ON ATTORNEY'S FEES AND COSTS¹

On June 6, 2023, Alicia Sawyer filed a petition on behalf of her minor child, T.S., for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleged that T.S. suffered a shoulder injury related to vaccine administration as a result of a human papillomavirus vaccination administered to T.S. on July 13, 2022. Petition, ECF No. 1. decision awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 24.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$19,932.53 (representing \$13,842.00 in fees plus \$6,090.53 in costs). Application for Attorneys' Fees and Costs ("Motion") filed December 20, 2024, ECF No. 28. Furthermore, counsel for Petitioner represents that Petitioner incurred no personal out-of-pocket expenses. *Id.* at 2.

Respondent reacted to the motion on December 31, 2024, indicating that he is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case but deferring resolution of the amount to be awarded to my discretion. Motion at 2-4, ECF No. 29. Petitioner filed no reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 28 at 9-18. Respondent offered no specific objection to the rates or amounts sought. I find the requested costs reasonable and hereby award them in full.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **Petitioner is awarded attorneys' fees and costs in the total amount of \$19,932.53 (representing \$13,842.00 in fees plus \$6,090.53 in costs) to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
